EDUCATION

- Boston College** Chestnut Hill, MA
B.A. Applied Psychology and Economics, Minor in Data Science | GPA: 3.89/4.00 | Expected June, 2028
Relevant courses: *Machine Learning and Artificial Intelligence; Econometric Methods; Financial Accounting*
- Boston College - Carroll School of Management** Chestnut Hill, MA
Summer Catalyst Program May 2026-July 2026
- Completed an intensive 11-credit management program, building a foundation in financial analysis, marketing strategy, business decision-making, and Excel-based analytics.

RESEARCH & ANALYTIC PROJECTS

- Boston College** Chestnut Hill, MA
Research projects February 2025-Present
- Wage Inequality Econometric Analysis | STATA, Regression Analysis**
- Analyzed 75K+ labor-market observations using multivariate OLS regression to identify statistically significant wage differentials across demographic groups and synthesized findings into a 12-page research paper.
- Predictive Risk Analytics with Logistic Regression | Python, Pandas, Scikit-Learn**
- Built an end-to-end predictive analytics pipeline using data cleaning, logistic regression, feature engineering, and model evaluation techniques applicable to fraud detection and credit-risk analytics.

WORK & LEADERSHIP EXPERIENCE

- Global Law Office** Beijing, China
Capital Market Intern May 2025-July 2025
- Analyzed 48 legal documents for commercial property auction; identified 3 critical compliance gaps and recommended revisions that were implemented to protect client interests and reduce legal risk exposure.
 - Collaborated with a 5-person legal team across due diligence, on-site investigation, and document revision cycles; ensured 100% accuracy on deal terms in time-sensitive transactions.
 - Demonstrated commercial acumen by identifying market inefficiencies in the judicial auction process and proposing 2 process improvements to streamline future transactions.
- 798 Culture and Technology Co., Ltd** Beijing, China
New Media Intern July 2025-September 2025
- Conducted user research and brand positioning analysis for new jewelry product launch; identified 3 key consumer segments and their distinct preferences, informing product design and go-to-market strategy.
 - Managed end-to-end content production: published 25 promotional articles, coordinated livestream promotions, and iterated based on real-time performance metrics, resulting in 2.5x increase for in-store foot traffic.
 - Analyzed content performance across 3 platforms (TikTok, Rednote, WeChat); discovered that video content posted evening time generated 3x higher engagement than static posts and 45% higher conversion rate.
- SHSBNU Student Union & Alumni Leadership** Beijing, China
President / Alumni Leaders February 2023-Present
- Led three departments, organizing 21 campus events and publishing 40 event promotions, including a New Year's Eve celebration for 800 students.
 - Expanded Equity Department and identified dining quality issues; designed and launched the first real-time dining feedback system that collected 500+ monthly feedback submissions and improved dining satisfaction.
 - Continued engagement as an alumni leader, delivering workshops, interviews, and livestreamed talks on and off campus (e.g., New Oriental Education & Technology Group) to mentor students and give back to the community.
